WORK EXPERIENCE

NYU SPS Office of Event Feb.2026- June.2026

Office Assistant

- Coordinated logistics and run-of-show for large-scale campus events (hundreds of attendees), keeping teams aligned and timelines on track.
- Managed event materials and inventory with Excel/Google Sheets, ensuring accurate tracking and rapid turnaround across events.
- Handled guest-facing coordination (scheduling, arrival, on-site support) to deliver a smooth, professional experience.
- Led on-site execution and real-time troubleshooting, maintaining flow, timing, and service standards.

Kimber Health Aug.2025- Present

Marketing Coordinator

- Led the management of the Rednote social media account, creating impactful advertising content that significantly boosted engagement and visibility.
- Spearheaded the planning and on-campus promotion of marketing events for student insurance products, successfully increasing student enrollment and on-campus engagement through targeted campaigns.

Abercrombie & Fitch Co. Apr.2026- June.2026

Brand Representative

- Contributed to a customer-focused retail environment by combining brand storytelling, styling support, and visual presentation within a fast-paced fashion setting.
- Strengthened client experience through personalized communication, product knowledge, and brand representation aligned with Abercrombie & Fitch's contemporary identity.

Sise Digital Co., Ltd. Jan. 2024 - Mar. 2024

Exhibition Design Advisor

- Contributed key creative ideas and design recommendations for the exhibition, influencing major aspects of the event's layout and visitor engagement.
 - Actively collaborated in exhibition planning and execution, providing strategic input on layout, visitor flow, and educational materials to enhance overall impact.
-
