Media, Culture, and Communication student at New York University with experience in digital content creation, social media strategy, and brand communication. Interested in the intersection of fashion, culture, and emerging creative technologies, with a focus on visual storytelling and audience engagement.

WORK EXPERIENCE

Digital Content Assistant

Kenwei Technology | Jul. 2026 - Aug. 2026

- Developed visual content using AI-assisted creative tools, including image generation and video production workflows, to support brand communication and digital marketing initiatives.
- Produced and edited short-form videos and visual assets for social media platforms, improving content consistency and strengthening brand storytelling.
- Managed social media content operations, including creative planning, asset preparation, and platform-specific optimization.
- Collaborated with team members to translate business objectives into visually engaging digital content.

Marketing Coordinator

Kimber Health | Aug. 2025- Present

- Led the management of the Rednote social media account, creating impactful advertising content that significantly boosted engagement and visibility.
- Spearheaded the planning and on-campus promotion of marketing events for student insurance products, successfully increasing student enrollment and on-campus engagement through targeted campaigns.

Office Assistant

NYU SPS Office of Events | Feb. 2026- June. 2026

- Coordinated logistics and run-of-show for large-scale campus events (hundreds of attendees), keeping teams aligned and timelines on track.
- Managed event materials and inventory with Excel/Google Sheets, ensuring accurate tracking and rapid turnaround across events.
- Handled guest-facing coordination (scheduling, arrival, on-site support) to deliver a smooth, professional experience.
- Led on-site execution and real-time troubleshooting, maintaining flow, timing, and service standards.

Brand Representative

Abercrombie & Fitch Co. | Apr. 2026- June. 2026

- Contributed to a customer-focused retail environment by combining brand storytelling, styling support, and visual presentation within a fast-paced fashion setting.
- Strengthened client experience through personalized communication, product knowledge, and brand representation aligned with Abercrombie & Fitch's contemporary identity.

Exhibition Design Advisor

Sise Digital Co., Ltd. | Jan. 2024 - Mar. 2024

- Contributed key creative ideas and design recommendations for the exhibition, influencing major aspects of the event's layout and visitor engagement.
- Actively collaborated in exhibition planning and execution, providing strategic input on layout, visitor flow, and educational materials to enhance overall impact.

EDUCATION

Bachelor of Science in Media, Culture, and Communication

New York University | 2024 -2028

Minor: Fashion Studies

NYU Florence | Gallatin Program in Global Fashion
Florence, Italy — Sep. 2026- Dec. 2026
